Change in TUITION PAYMENTS this year—

If you have been paying monthly by check, we are changing our procedure:

Please make out **4 checks for the 1st trimester**: the 1st check will be dated September and include registration fee(s). Check #2 will be post-dated October, check #3 will be post-dated November, and check #4 will be post-dated December.

Your date on each check can be dated from the 1st day of the month to the 10th day of the month. Whatever date you choose will be the date that NPSM deposits that particular check.

Checks 2 through 4 will be held in each student's folder until that particular month

If you pay by the trimester or if you pay by a bank check which automatically is mailed to NPSM, the procedure above does not affect you.

Withdrawal

- 1) Signing our registration form/contract acknowledges responsibility of payment for 3 trimesters' tuition regardless of payment plan and regardless of student withdrawal from lessons.
- 2) Withdrawal will occur with financial penalty if student withdraws *before* the month of August. All remaining tuition becomes due upon student stopping lessons. Verbal notification of intent to withdraw is not acceptable: written notification must be received by NPSM at least one month before withdrawal occurs.
- 3) Withdrawal *without* financial penalty may be considered during the school year only under the following conditions: death in family, catastrophic illness, divorce, loss of employment, or move out-of-state.
- 4) Students beginning study in the 3rd trimester (May-Aug) may use these months as a trial study period.
